The Breeze Walking Festival

Saturday 26 September – Saturday 10 October

Connecting people and places in Christchurch, the Waimakariri and Selwyn

Christchurch City Council invites you to hikoi, savali, caminar and walk!

Following three years of highly successful events and winning a national Golden Foot walking event award, The Breeze Walking Festival will again allow people from all over Canterbury to get together and enjoy a wide variety of walks in our beautiful region.

This year the Festival has been extended to cover the October school holidays including three weekends with plenty to choose from for all ages and interests.

The walks take in areas within Christchurch city, the Port Hills, and parts of the Waimakariri and Selwyn Districts, including coastlines, forests, ridgelines, river ways, wetlands and city streets. It’s a chance to discover new places, learn more about old haunts, try fun activities, and above all to enjoy fresh air, spring sunshine and good company.

With no cost, the walks offer the opportunity for people of all ages and abilities to enjoy a social outdoor experience. Walking is an activity close to my heart and I really encourage you to take part in this wonderful event.

Lianne Dalziel
MAYOR

Thanks

Thank you to The Breeze for returning to support this important festival in association with the Christchurch City Council. We are ever grateful to the generosity and creativity of all of our walk providers and partners who put a lot of thought and planning into offering quality walking events during The Breeze Walking Festival.
